FOR IMMEDIATE RELEASE

Main Building Renovation Photo Documentation

Kitty Dadi, a Great Neck resident and professional photographer, is offering her services “pro bono” to assist the Library by being a part of the creative documentation of the Great Neck Library’s Main Building renovation project.

There is a link from the Great Neck Library’s website (www.greatnecklibrary.org) to Ms. Dadi’s site that is hosting the photos that she has been taking since construction has begun (<http://kittydadiphotography.zenfolio.com/gnl>).

Ms. Dadi specializes in architectural and interior photography. She says that architecture is a constant presence in our lives and she wants to preserve these architectural memories. She is a member of the Association of Independent Architectural Photographers, and Real Estate Photographers of America. She does all phases of architectural photography including residential, commercial, healthcare, and the hospitality industry. Notable local clients of Ms. Dadi are North Shore Hospital, and Long Island Jewish Cohen Children’s Medical Center. She is currently working with Philips International, photographing two buildings in Great Neck.
