A chronicle of Freddie Mercury and the band Queen during the years leading up to their appearance at the 1985 Live Aid concert.

A world-class black pianist, on a concert tour from Manhattan to the Deep South, they bring a groundbreaking case before the US Court of Appeals and overturn a century of gender discrimination.

A woman in Harlem attempts desperately to prove her fiancé is innocent of a crime while she is pregnant with their first child.

An inspiring and spirited true story that follows young lawyer Ruth Bader Ginsburg as she teams with her husband Marty to bring a groundbreaking case before the US Court of Appeals and overturn a century of gender discrimination.

One of the world’s great comedy teams set out on a variety hall tour of Britain in 1953. Diminished by age and with their golden era now behind them, they face an uncertain future.

A woman in Harlem attempts desperately to prove her fiancé is innocent of a crime while she is pregnant with their first child.

**Our Storytime Format**

Children’s language development is likely to progress more rapidly when they are given frequent opportunities to be read to. Language development is the process by which children come to understand and communicate language during early childhood. Our Preschool Storytime programs will help them develop speech and language skills before Kindergarten. They will be taught simple songs and nursery rhymes, and develop hearing, speech, and cognitive skills.
