The Human Library is an event where people can connect in a safe environment with individuals in their community with whom they might not normally interact. It promotes tolerance and celebrates differences. The first Human Library was held in Denmark in 2000 as part of an anti-violence movement.

The Human Library consists of volunteers, or human "books," each with a unique story to tell about their experiences with misconceptions, prejudice and stereotypes. "Readers," or participants who attend the Human Library, have a designated time with the human book they’re interested in learning about through conversation. Unlike paper books, readers can ask human books questions and engage in non-confrontational discussions. Human Libraries promote tolerance and celebrate differences.

Human Library books at other libraries have included people with alternative lifestyles, funeral directors, immigrants/refugees, police, people with disabilities, clergy, cancer patients, graffiti artists, tattoo artists, people with addictions, etc. Anyone with a unique background or experience may serve as a book. Participants should be comfortable discussing their "subject" and receiving polite, respectful questions from readers.

The planned collection of human books will number around 10. Human books can be checked out for 25 minutes at a time. If you would like to volunteer as a "human book," please email a brief summary of your human book topic and contact information to humanlibrary@greatnecklibrary.org with the subject line: "Human Library Nomination." Each potential participant will meet with a Library staff member to review his or her story. The deadline for applications is August 10.

The Human Library Event titled “Don’t Judge a Book by its Cover” will take place Sunday, October 25, 2015 (location and time to be announced). For more information, please call the Director’s Office at 516-466-8055.

LEVELS' 2015 SUMMER MUSICAL

...is actually TWO shows in one, a double-feature of two original musical comedies written by students!

TROLL 2
THE MUSICAL PARODY!

...is written by members of the Levels Make-a-Musical Workshop and directed by Daisy Korman. Based on TROLL 2, one of the most hilariously awful horror movies ever made, this musical tells the tale of young Joshua, who must defeat the evil vegetarian goblins who want to devour his family. The only things on his side are his dead Grandpa Seth and a double-decker banana sandwich. It's both a horror, comedy and a campy, fun rock musical in the tradition of LITTLE SHOP OF HORRORS!

MANHOLE! MANHOLE!

...is written and directed by Solly Kasab and Zachary Lee, and concerns a young boy named Billy, who falls into a manhole! Attempts to save him only get more people stuck in the manhole! Soon, a singing alligator and the President of the United States become involved. MANHOLE! MANHOLE! is an insane musical comedy in the hysterical tradition of THE BOOK OF MORMON and SPAMALOT!

Both plays are short in length and will be performed together on Thursday, Friday and Saturday, August 13, 14 and 15 at 8:00 p.m. in the auditorium of Saddle Rock Elementary School, 10 Hawthorne Lane in Great Neck. Admission is free.

To better accommodate our patrons in the northern peninsula, we are installing an over-sized book and audiovisual (A/V) return box in the parking lot of the Great Neck House. Great Neck House is located at 14 Arrandale Avenue, just west of Middle Neck Road. As you may know, Great Neck House was the home of the Great Neck Library from 1907 to 1971, the year that the Main Building on Bayview Avenue opened!

We are grateful to our community partners at the Park District, Superintendent Peter Renick, and all of the Commissioners and Staff for assisting us in providing a home for this important community service. The book drop will be located in the southern end of the parking lot on a peninsula that will allow easy, drive-by returns.

We expect to have the drop in place by mid-July. Watch for updates on the Great Neck Library website.

As a reminder, the Library property at 159 Bayview Avenue is CLOSED to the public and is an active construction site. Residents are warned not to enter the property until the Main Library construction is completed. We thank all of our patrons for your patience during this time!
